Sir,

I am directed to acknowledge the receipt of your letter of the 15th instant, enclosing an instrument entitling Harcourt Tilden Collins of Rose Lynn, Alberta, as your substitute, and to inform you that it will now be necessary for Mr. Collins to appear before the Agent of Dominion Lands at Calgary and have the S.E. of Section 9, Township 22, Range 1, West of the Fourth Meridian, on which you located your homestead certificate, entered in his own name after satisfying the court that he is a British subject, or declared his intention to become a British subject, that he is of the full age of 21 years, and otherwise to the usual satisfaction for entry.

Under the Regulations governing the Volunteer Bounty Act, 1908, a substitute may be appointed either before or after entry is made by the person, and, if the settlement duties have been partially performed by the person they may be completed by the substitute.

MEMORANDUM. Ottawa, 19 Sept 191'

Mr Cobi. A P Collins the volunteer located his Certificate & then appointed his wife Margaret Ellen Collins his substitute

The Instrument was registered & Mr Collins notified that his wife would have to appear before the A & R of Calgary & have the land entered in her name in the usual way.

Mr Collins now states that it is impossible for Mrs C to go to Calgary & that it will be a lot of expense to her to go there for.

He asks that the Instrument be returned to him & the land left as it was before in his own name; stating that as they are living on the land, he does not see that it should make any difference

[illegible]

Department of the Interior,

E.L. **LAND PATENTS BRANCH,** Ref. 174261C.

Ottawa, 11th December, 1911.

MEMORANDUM:

South African Volunteer Bounty Land Certificate was issued to Albert Patrick Collins, who located the same and subsequently appointed his wife, Mary Ellen Collins, his substitute. Mrs. Collins was advised that she would have to present herself before the Agent of Dominion Lands at Calgary, and have the land entered in her name. For various reasons it was impossible for Mrs. Collins to do so, and Mr. Collins requested that the Instrument be returned to him and that the land remain in his name; that as they were living on the land he did not see that it would make any difference. He was advised that a specified time might be granted Mrs. Collins to appear before the Agent and have the land entered in her name, or that if a release were filed here, of all her right and interest, in his favour, the instrument could be cancelled.

Mr. Collins now files a letter from Mrs. Collins in which she agrees to release all right and claim to the S.½ of Section 6, Township 29, Range 12, West of the 4th Meridian, in favour of the original grantee, Albert Patrick Collins. This document is simply a letter, not a release, has not been sealed or witnesses, nor is there an affidavit of execution. I think, however, as the instrument has been registered, but the land has not been transferred, to her name either in the books here or in the records of the land office, and as Mr. Collins states that he and his wife are living on the land, that the letter or release from Mrs. Collins might be accepted, and the registration of the instrument appointing her the substitute, cancelled, and the land remain in the name of Mr. Collins who located his Certificate thereon.

H. C. Cole, Esq., I.S.O.,
Chief of Branch.

Department of the Interior,

E.L. **LAND PATENTS BRANCH,** Ref. 1742112.

Ottawa, 20th December, 1911.

MEMORANDUM:

Albert Patrick Collins located his South African Volunteer Bounty Land Certificate on the S.½ of Section 6, Township 29, Range 12, West of the 4th Meridian, and subsequently appointed his wife, Mary Ellen Collins, his substitute. For various reasons it was impossible for Mrs. Collins to present herself before the Agent of Dominion Lands and have the land entered in her own name, and she now requests that the Instrument appointing her the substitute be cancelled, and the land allowed to remain in the name of the original grantee, Albert Patrick Collins, her husband.

In ordinary cases the practice of the Department has been to require a release from the substitute to the volunteer, and a declaration from the Volunteer setting out the reason why the change is desired, but in the present instance, neither release nor affidavit has been received. I think, however, as the land has not been transferred to her name, either in the books here or in the records of the Land Office, and as Mr. Collins states that he and his wife are living on the land, that the letter from Mrs. Collins might be accepted, and the registration of the Instrument appointing her the substitute cancelled without requiring her to file the formal release.

Respectfully submitted,

Chief of Branch.

Sir,-

I beg to acknowledge the receipt of your letter dated the 13th ultimo, and in reply to say that, in view of your representations that you have been residing on your homestead since the 3rd April last, and have eighty-five acres broken thereon, it has been decided to abandon the cancellation proceedings pending against your homestead and preemption entries for the South ½ of Section 4, Township 31, Range 14, West of the Fourth Meridian, and a copy of this communication is being sent the Agent at Calgary for his information.

With respect to your request to be allowed to now resume residence upon your South African Volunteer Scrip location, the North ½ of the section mentioned, I am to warn you that, unless you complete six months residence on your homestead and preemption, you will render your entries therefor again liable to cancellation, as you have held such entries since the 14th April, 1909, and have not, as yet, completed one term of the required residence.

I submit for your consideration the case of [illegible] who after locating Volunteer Bounty scrip on a half-section [illegible] quarter section to the C.P.R. This is by his own admission, and his declaration of abandonment is probably on its way to the Head Office.

There is no provision in the regulations for allowing a settler to dispose of his Volunteer Bounty scrip location or any part thereof to a Railway company; and I fail to see that he had anything to sell, since he has not performed the duties.

At the same time I would point out that a settler may dispose of his homestead or purchased homestead to a Railway company for townsite purposes at payment at the rate of [illegible] per acre, retaining the right to take up another homestead or purchased homestead; or he may sell his pre-emption at the rate of $5.00 per acre, retaining the right to take up another pre-emption or a purchased homestead elsewhere.

Also that where the holder of a homestead, pre-emption, or purchased homestead [illegible] portion only of either for townsite purposes, and retains the balance subject to the original terms of entry, he may be permitted to do so [illegible] at the rate of $5.00 per acre.

The point is will you apply this principle to Volunteer Bounty scrip location.

MEMORANDUM.

Mr. Wyld.

Referring to reference No. 2728026 on file 1465123, which is a letter from Messrs. Davidson & McRae to the Department, dated the 31st of January last, I beg to say that it has been decided that in addition to the South West ¼ of Section 15 and the South half of the South West ¼ of Section 9, in Township 31, Range 14, West of the 4th Meridian, the Canadian Northern Railway Company will be allowed to acquire the South East ¼ of Section 9. They cannot, however, be permitted to acquire the North West ¼ of Section 3. This departure from our usual practice in regard to such townsite matters is based on representations made to the Minister by Colonel Davidson that the full 480 acres is required by the Company for their accommodation as a divisional point is to be located here.

Dear Sirs:

I desire to say to your Department that I forwarded my discharge when I made application for a land grant. Letter from the Department of Militia & Defence states that no discharge accompanied my application to that department and therefore it must be on file in your office. Kindly do me the favour to look the matter up as I am at a loss to understand its miscarriage otherwise. I did not register but the discharge accompanied the application, the receipt of which you acknowledge, hence the conclusion as to its whereabouts.

I want this discharge sent to me. It certainly is unnecessary for me to file suit on this just claim of my client.

Memorandum:-

With reference to Warrant No.6008, in favour of Frank G. Craig, recently received from your Department, I enclose file 1743084 of this Department, respecting the claim in question.

As this was one of the claims to which John Dundas forged the names of George W. Daniels and F. G. Craig, for which he was convicted, I think it wise, before the Certificate is forwarded to Mr. Craig, to request you to ascertain if the Warrant has been properly issued.

Please also note letters from R. A. W. Hay, dated the 12th and 27th ultimo, in the former of which it is requested that the Land Certificate should be sent to his brother Rowland Craig, 155 Aylmer Street, Peterborough, while the address in the sketch accompanying the Warrant is care of W. V. Whelihan, 409 Travis Street, Houston, Texas.

Also note the latest attachment on the file, being letter from C. B. Fitze, of Houston, Texas, respecting Mr. Craig's discharge.

Lt.-Col. Smith,

explanation has been made by Mr Craig as to what appears to be the conflicting interest between Mr Fitze and himself. If the Department of the Interior desires this Department to carry on that correspondence it is requested so to intimate.

Memorandum:-

Referring to Department of the Interior No.1743084.dated 14th May, instant.it has to be said that William Warrant No.6008 was issued on an application made and signed by F.C.Craig.and declared by him before a Notary Public,at Houston,Texas,on 15th March, 1909. The application reached this Department through the Department of the Interior.by letter dated 29th March,1909. Mr Craig's discharge did not accompany the application,but.subsequently,it appears to have been received from the Department of the Interior,and in due course was returned to Mr Craig. to the address which was given on the letter written to him by the Secretary of the Interior.

In addition to the fact that the discharge was produced,Mr Craig's name appears on the Roll of the 2nd Canadian Mounted Rifles.so there seemed to be nothing for it but to issue the Warrant.for the claim could not be affected by the former wrongful application made by John Dunlap.

However,in view of the correspondence which has now been disclosed by the Department of the Interior letter,the undersigned thinks it is wiser not to send forward the certificate until some satisfactory

Gentlemen:-

No. W. Q. 510-8-1.

Under date of May 12th, 1909, the Lieut.-Colonel for Secretary, Militia Department advised us that Militia Warrant No. 6008 had been issued in favor of F. G. Craig, who is my client, and forwarded to the Department of the Interior, Ottawa. Under date of June 12th, 1909, we wrote you stating that we were advised that we could sell this warrant, and were making papers of that date transferring same. We were later informed that the warrant must come in possession of said Craig and accompany transfer papers in order to constitute a valid transfer. We then wrote you again under date of June 22nd enclosing affidavits to the effect that Craig was the proper party to receive this warrant, etc., and asked that you forward same to our address at Houston, or in case you could not consistently do this, advise the reason for such refusal, and state what steps would be necessary to induce you to deliver this warrant. As yet, we have heard nothing from your department, hence we write you again. We thoroughly understand that there are ten thousand yards of red tape connected with every inch of actual business transacted by all departments of governments, and we have no fault to find with you about that, but it does seem to us that you could at least be courteous enough to advise us in the premises. We are enclosing you self-addressed and stamped envelope for reply, and will thank you for an early reply.

We have the honor to be, Sir,

Memorandum:-

S-E. ¼ of Sec. 2---14---19, W. 4th M.,
Preemption ..... A. M. Peterson-
Entry granted ... 2nd September, 1910.

In a letter dated 6th January, 1911, The Southern Alberta Land Co.,Ltd., point out that their Irrigation Canal was in course of construction across this quarter section when entry was granted Mr. Peterson, and that their records show that 13,000 yards of excavating work was done thereon during the month of August, 1910.

When this entry was granted the right of way for the Canal referred to was not reserved.

In a memorandum dated the 23rd January, 1911, Mr. P. H. Campbell recommends that the right of way of the Canal be reserved through this land, in spite of the fact that no reservation was made at the time the entry was accepted.

The Commissioner, however, did not approve of Mr. Campbell's suggestion. (See memo. dated 25th January, 1911.)

Mr. Campbell then drew attention to the decision of the Minister in another case, that of H. J. McHugh and the S-E. ¼ of Sec. 36--21--25, W. 4th M., whereby the claim of the Alberta Co. was allowed,-- and, if McHugh objected, his entry was to be cancelled.

In submitting this case, Mr. Dixon in his memo. dated 10th March, 1911, sets out that these are not parallel cases, as the right of way of the Canal Co. had been filed with the Agent in connection with the McHugh quarter section, whereas this was not the case in connection with the S-E. ¼ of Sec. 2--14--19, W. 4th M.

Mr. Campbell, however, does not agree with this view, and makes the following remarks in regard thereto:-

"In reply to your memorandum hereunder I beg to say that I cannot see that your statement shows any essential difference between the case of Mr. Peterson and that of Mr. McHugh. The statement of the Company is that at the time the entry was accepted their canal was in course of construction across the land and 13,000 cubic feet of excavation had been done. Dear Sir:-

Mr. George Lane has instructed us to write to you about the title of the South half of the North East quarter of section 6 township 14 Range 29 West of the 4th. We have searched in the Land Titles Office to-day and find no patent has issued for this land. Mr. Lane and The Gordon Ironside & Fares Company Limited have applied to divert water from Muntz Creek and his ditch crosses the above mentioned land. Mr. Lane informs us his recollection is that he applied the 80 acre half breed scrip of J.M. Belcourt on this 80 acres and he does not understand why the patent has not issued. He instructs us that the transfer was put through sometime about the month of November 1909 and the Dominion Land Office here have some record of such a scrip having been applied. Your File number we are told is 866003.

Will you please tell us what is the record on your books as to the ownership of this 80 acres and whether you have anything on file to show that Mr. Lane had obtained this land.

Geo. Lane & Jean Marie Belcourt.

On Jan. 16,1903 we wrote to you enclosing another transfer by Belcourt to Lane of part of Sec. 6-14-29-W.4th. The Crown Grant which we expected would issue, upon this transfer reaching the Department, to Geo. Lane, it seems has not yet been issued. Would you kindly look into this matter and let us know what is the position on the books of your Department? And if, as we think, the transfer we sent to you on Jan. 16,1903, was in order, will you please issue to Mr. Lane a Crown Grant?

We find that you wrote to us also on Jan.30 th.1903 and said that the transfers by Jean Marie Belcourt and the others, namely Foley & Sewell, were satisfactory.

assignment of that quarter section should also have contained these eighty acres, the South half of the N.E.¼-~~14~~-6. Will you please examine your records and see whether the assignment does not cover these eighty acres as well as the 160, and will you also look up Scrip A.2805 issued to Belcourt and see what was done with it?

We think if you will trace up these two points, some clue will be gained by which to clear up the right of George Lane to receive a patent from the Crown for the S.½ of the N.E. ¼Sec.6.

Dear Sir:-

Geo. Lane & J.M.Belcourt.

In reference to your letter to us in this matter of 30th Mar. last. We have been endeavouring to trace up this matter further and after talking to Mr. Lane we applied to the Agent of Dominion Lands here and he gives us the following information;-

The N.E.¼-18-14-29-W.4th which you mentioned in your letter as having been assigned by Belcourt to Lane, was assigned under scrip No. A. 1299 at the same time,viz. the 4th January 1901, as the S.½ of the N.E.¼-6-14-29 was assigned under scrip No. A.2085, and a Dominion Lands general receipt No. 5519 was issued to J.M.Belcourt.

It is noted in the books of the Agent here that George Lane at that time,viz.4th January 1901 withdrew his application to purchase the S.½ of the N.E.¼ of Sec.6 in order that he might locate half breed scrip No.A.2805 on this 80 acres.

We gather from your letter of 30th Mar. that the assignment by Belcourt to Lane of the N.E. ¼ of Sec.18 has been recognized and recorded in your Department. The

tp 14, [illegible]

Your letter of July 3rd was received by us in due course and we have had a long consultation with Mr. Lane in regard to the above described 80 acres. We did not in January 1901 attend to the locating of scrip No. A-2805 on this 80 acres and Mr. Lane tells us that the matter was put through by some speculator in Half Breed Land Scrip from whom he, Mr. Lane, bought the scrip.

We think Mr. Lane agrees with us that this speculator did not properly see that the transfer by Jean Marie Belcourt to George Lane covered the South half of the North East quarter of section 6 as well as the north east quarter of section 18.

We note that the South half of the north east quarter of section 6 now stands in your books in the name of Jean Marie Belcourt, son of Alex Belcourt, and that the land is unpatented. We are now instructed by Mr. Lane to obtain a transfer from the Half Breed of this 80 acres and after consulting with Mr. Lane we are writing to you to ask you to make a memorandum in your books not to issue the patent until you hear further from us

IN THE MATTER OF the application of George Lane for letters patent for the South Half of the North East Quarter of Section Six in Township Fourteen and Range twenty-nine West of the Fourth Meridian.

I, George Lane of the City of Calgary in the Province of Alberta, Rancher, do solemnly declare that I claim to be entitled to letters-patent for the South Half of the North East quarter of Section Six in Township Fourteen and Range Twenty-nine, West of the Fourth Meridian ; that I have been in peaceable possession for seventeen years and over of the said land and of the North East Quarter of Section Eighteen in the said Township Fourteen for which letters-patent have been issued to me ; that I am the only claimant to the said South Half of the North East Quarter of the said Section Six ; that prior to the fourth day of January, A.D.1901, I purchased several half-breed land scrips or warrants, amongst them the two scrip or warrants respectively numbered "A.1209" and "A.2[illegible]" mentioned in the Location Receipt, now shewn to me marked with the letter "A" ; that by the said Location receipt it is shewn that the half-breed Jean Marie Belcourt, from whom the said land scrip or warrants were purchased, paid for

or

or located thereunder the said North East Quarter of Section Eighteen and the said South half of the North East Quarter of Section Six in Township Fourteen and Range Twenty-nine, West of the Fourth Meridian ; that these lands were so located by the said Jean Marie Belcourt at my instance and for my sole benefit ; that there is on file in the Land Titles Office for the district in which the said lands are situated a paper, of which a correct copy is now shown to me marked with the letter "F", whereby the Agent, J.F.Sutherland was directed to deliver to me the said two land scrips or warrants ; that I had other papers and documents relating to the sale of the said two land scrips or warrants including other scrips or warrants which were lost and that I understand one of such documents was a proper and sufficient transfer to me of both of the said parcels of lands ; that after the loss of the said papers and documents I had my solicitors prepare another transfer to me from the said Jean Marie Belcourt ; that such transfer is the one now shewn to me marked with the letter "G" ; that at that time and until recently I was certain that the said transfer marked "G" was a transfer of not only the North East Quarter of Section Eighteen in Township Fourteen and Range Twenty-nine, but also of the said South half of the North East Quarter of Section Six in the said Township ; that it was solely through that the said South half of the said North East Quarter of the said Section Six was not mentioned in such transfer as well as the North East quarter of the said

Section

Section Eighteen ; that I have been informed and be - lieve that the said Jean Marie Dolcourt is dead ; that I am unable to obtain any further transfer of the said South half of the North East quarter of the said Section Six of which as before stated I have been in peaceable possession for over seventeen years ; that I am now in peaceable possession thereof and that in view of such possession, of my purchase of the said scrip or warrant No. 2805, under which it was so located and of the other facts set forth in this my solemn declaration supported by the Exhibits "A" "B" and "C" hereinbefore referred to, I claim to be en - titled to the said land that is the South half of the North East quarter of Section Six in Township Four- teen and Range Twenty nine West of the Fourth Meridian, and to letters-patent therefor.

AND I MAKE this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath and by virtue of "The Canada Evidence Act."

[illegible] Minister, I beg to submit for your personal consideration Mr.Lore's petition [illegible] Mr.Rothwell, [illegible] the particulars of the case are fully set forth.

The land in question [illegible] one mentioned in the Half-breed, Jean Marie Racette, scrip for 80 acres [illegible] January,1901 and [illegible] therefore [illegible]

There appears to be no doubt whatever from the statement made by Mr.Lore, as well as by his solicitors in their recent interview, [illegible] file, that Mr.Lore is the assignee of the locator, and that it was the intention that the above land should be included in the assignment from Mr.Falconer to the W.E.A [illegible] 19,1 [illegible] Mr.Falconer had located on the same day [illegible] 160 acres each.

I, therefore, am recommending that under the circumstances letters patent be issued in the name of Mr.Joseph Lore for the 80 acres in question.

Sir,

With reference to the statutory declaration made by you when in Ottawa recently, respecting your claim to the issue of Letters Patent in your name for the S.½ of the N.E.¼ of section 6, township 14, range 29, west 4th meridian, upon which Jean Marie Belcourt located a scrip for 80 acres of land on the 4th January, 1901, and in whose name the said land still stands, no patent therefor having yet been issued, I am directed to say that it is not considered that the Department would be justified in issuing a patent, as desired, without an assignment in your favour, duly executed by the locator, or in case of his death, by his legal representative, being filed in this Department in accordance with the usual practice in all such cases.

In view, however, of the fact, as set forth in your declaration, above referred to, that you have been for seventeen years in peaceable possession of the land in question, which is absolutely required by you in connection with your ranching operations, and that you have so far been unable to obtain an assignment in your favour from the locator, it has been decided to allow you to purchase the said land at the rate of $3.00 an acre

It is hoped that this settlement,which was arrived at after the matter had been most carefully considered,will be satisfactory to you.

RE-Fr. N.E.¼. 23, N.W.¼. 24, S.W.¼. 25, S.E.¼. 26, in 73-8. W. 6th Meridian.

Application to purchase the areas in the above described quarter sections shown on the Township plan as being covered by water has been received from Ole L. Livelton, R.M. No. 1, Sexsmith, Alberta, in behalf of himself and others. The Inspector's report is as follows:-

"S.E.¼. 26-73-8. W. 6th is owned by Ben Strang & he does not desire to purchase the fractional area now in Lake No. 2, but would rather let things stand as they are.

S.W.¼. 25-73-8. W. 6th owned by Art Henderson. Mr. Henderson is of the same mind as Mr. Strang & would rather allow things to stay as at present.

N.W.¼. 24-73-8. W. 6th is owned by Ole L. Livelton.

N.E.¼. 23-73-8. W. 6th is owned by J. H. Livelton, the son of Ole L. Livelton.

It appears that Mr. Livelton had an application in for a Fur Farm Lease on this lake, but finding the cost of rental very heavy he abandoned the idea & thought he would purchase, which he figured would be cheaper & he would have it for all time.

I have been requested by the Secretary-Treasurer of Municipal District of Forty Mile No. 2, to advise him of the settlement which may be required to obtain withdrawal of liens which were registered against the titles to the above described lands. I'm unable to locate an itemized statement for this account in the group that you forwarded last Fall, but upon referring to our file, note that a statement to March 31, 1942, was submitted by your office and your file numbers referred to at that time were 1745004 and 1768632.

I will appreciate your advice as to the present standing of the account, and if there is no indebtedness at present, kindly authorize the Registrar to remove the liens which were registered for Dominion Advances.

RE: E. 15-10-[illegible]-W.4th

Dear Sir:

We have your letter of the 17th of May, 1955, informing us that you have been requested by the Secretary-Treasurer of the Municipal District of Forty Mile No. 2, to advise him of the settlement required to obtain the withdrawal of the Dominion liens registered against the above land.

Our liens were for advances made to Robert M. Howard but were withdrawn under authority of Order-in-Council P.C. 24/26 dated the 9th of January, 1953. As the usual withdrawal notice was sent to the Registrar, Land Titles Office, Calgary, on the 28th of January, 1923, we believe that these liens will have been removed from his records. It is possible that the duplicate Certificate of Title has not been brought up to date and if such is the case the Secretary-Treasurer should forward it to the Registrar to be amended.

Yours very truly,

C.M. LeCapelain,
Chief, Lands Division.

Robert M. Howard

I have your J-C-93-H-29 of the 14th of July, 1955 enclosing a cheque in the amount of $241.21 in settlement of relief advances made on the above properties and requesting that this office discharge the relief liens at the Land Titles Office in Calgary.

In reviewing our records we find that the Federal account of Robert M. Howard on the E.½ 15-10-8 W. 4th Mer. was settled and the liens removed from title in January of 1953. We do not have an outstanding account in the name of Jack Claydon and on obtaining an Abstract I find that the title is clear of all relief advances.

The only account still outstanding is for Joint Federal Provincial Relief advances made to Robert M. Howard in 1921 in the amount of $144.45. We cannot reconcile your remittance of $241.21 with this account and before we deposit the cheque I would ask that you send us more details on the settlement.

Sir:

I am in receipt of your letter of 26th ultimo forwarding a communication from George Greenwalt of Whitla, Alberta.

It is noted from the said letter that Mr. Greenwalt suggests that the Department take over this land with the improvements, and so liquidate - it is presumed - through sale the indebtedness he incurred.

It will be noted that the improvements thereon from Homestead Inspector McCowan's report of 22nd April last are not even of sufficient value to take care of the indebtedness.

I would, therefore, suggest that you advise Mr. Greenwalt that he should place himself in communication with the Secretary Treasurer of the Municipality as the Municipality might be prepared to take over the land.

It might be explained also that it is not the practice of the Department to acquire lands for outstanding indebtedness against same.

I can make heard some hailed
stuff went 15 bushels per acre this is the
first crop I have had
in four years I intend to keep
enough this seed and Feed for
another year so I will know a
little more where I am heading for
last spring a Daughter of mine sent
me a little Money to buy Seed with
she is a nurse in the R. C. Calgary
and if those girls do not earn there
Money I do not know of any one that
does. 3 years ago I lost all of my
Horses and had just gotten gathered
up - when the other day one got in
the wire and died from the effects
so that means scratch for another

we have a couple X ray bills and a Hospital bill that I intend to pay a part of if our behavior does make enough to do it it will not make you any forgiveness in 1917 I payed within a small sum of my bill I got a duplicate patent for this piece of land with in it unpaid account and they had about $60 on that I had got prior 1911 and that's more than I ever got to that time I am getting rich in years slow and poky so do not expect much this fall the pending payment is not what I am thinking about

Think this over

BOARD ORDER
No. 11285

Mr. J. W. Judge,
Chairman,
Seed Grain and Relief Adjustment Board,
EDMONTON, Alberta.

Dear Sir:

Re: NE¼ 23-10-8-W4,4th Mer.
George A. Greenwalt,
Dominion Advances.

The above named party obtained the following advances for which liens were registered against the title:

Relief	1915	$ 18.00
Relief & Fodder	1915	30.70
Relief & Fodder	1916	154.90
Fodder	1915	18.90
Fodder	1915	6.84
Fodder	1915	20.85
Seed Grain	1915	100.80
Seed Grain	1918	54.00
Seed Grain	1919	180.00
Seed Grain	1920	243.35
Seed Grain	1921	78.00
		$ 906.34
Interest to 31/3/54		1563.95
		2470.29
Payments		249.50
	Balance	$2220.79

The Solicitor, acting for the debtor, who was deceased in 1933 has approached this Office, requesting compromise settlement of the account and was advised that the present balance listed above represents principal of $675.27 and interest of $1545.52.

cont'd....

For Succession Duty purposes in 1933, the assets of the Estate were valued at $754.39 and the liabilities were listed as the face value of the Dominion Advances account for principal in the amount of $1679.79. The value of the Estate at that date was therefore nil.

The Estate passed to his wife, who has since been deceased and at her death, her estate was valued only at $251.45 subject to the above mentioned encumbrances of $1,679.79. A son of the above mentioned debtor has been operating this quarter section and wishes to clear the title of these encumbrances.

The quarter section is described as hilly and only eighty acres can be farmed and he is prepared to make payment of the principal amount presently outstanding in the account in the sum of $675.27.

In this case, although the total amount presently outstanding is very considerable, I feel that under the circumstances, the offer made should be considered a satisfactory settlement and would recommend that it be accepted.

I would further recommend that upon application of the sum of Six Hundred and Seventy Five dollars and Twenty Seven cents ($675.27) being made to the account, same be adjusted so that it will stand paid in full and the relative liens be discharged from the Title.

Yours very truly,

S. Cherkas,
CHIEF COLLECTOR.

The certificate of recommendation issued in connection with the above land which expired 1st April, 1914, has not been returned to the Department.

The case was submitted, 9th November, 1911, and the Agent instructed to commence cancellation proceedings against the entry for non-payment.

The proceedings were commenced, 10th November, 1913. No defence has been filed. The Registration Abstract dated 1st April, 1914, records the filing of a Caveat by the Municipal District of Sunny [illegible] #43, under authority of the Tax Recovery Act 1922.

The pre-emptor owes the Department over $30.00 on account of the purchase price and relief furnished. He has disappeared from the district and I would recommend cancellation forthwith.

Montreal, February 11th., 1919.

Mr. Wilson,
Assistant Secretary,
Department of the Interior,
Ottawa, Ont.

Mr. Assistant Secretary,

Referring to our exchange of correspondence the end of 1918 and especially my letter of the 17th last December, I have the honour to inform you that I have just been put in a position to inform you about the departure of this Frenchman.

Louis Nicolas, of the Class of 1904 Record No. 1194, born the 4th July, 1884, at Jeandelaincourt son of Nicolas and of Louise Genevieve Stoffil, was killed by the enemy, the 3rd February, 1917 at Moulins sur Trévoux.

Will you accept, Mr. Assistant Secretary, the expression of my very high esteem.

8th March, 1919.

M E M O R A N D U M:-

Mr. Hume,-

On the 7th April, 1913, Louis Nicolas of France made homestead entry for the North East quarter of Section 35, Township 60, Range 9, West of the 4th Meridian.

His declaration of the 28th November, 1913, sets forth that he is in residence on the quarter-section and that he has erected a frame house.

In his letter of the 10th August, 1914, he states that he has been called as a Reservist to duty in France and he asks for protection, and in case of death he gives:- "What I have to my brother, Antony Nicolas of Jaffray, British Columbia, or in default to my nephew, Maxime Eloy, Jaffray, B.C."

On the 4th September, 1914, Mr. Nicolas was informed that his entry would be protected during his absence on active service.

On the 23rd December, 1918, the Consul General for France was asked to report whether he had any record of Mr. Nicolas' return to France and if so, the date of his return and whether he is still on active service.

In the letter of the Consul General for France of the 27th December last, he reports that he has no record of Mr. Nicolas' departure in August, 1914.

On the 11th ultimo the Consul General reports as follows:-

"I have just been put in a position to inform you about the departure of this Frenchman. Louis Nicolas, of the Class of 1904 Record No. 1194, born the 6th July, 1884, at Jeandelaincourt son of Nicolas and of Louise Genevieve Stoffil, was killed by the enemy the 3rd February, 1917, at Moulins sur Trevoux."

The Seed Grain Branch report no record seed grain, fodder or relief incumbrance.

If

If you consider the report of Mr. Henri Ponsot, Consul General for France, Montreal, sufficient, there appears to be no reason why a patent should not now be prepared for this quarter-section in the name of the deceased entrant.

OTTAWA. 21st June, 1924.

Memorandum

Mr. Hume,

N.E.¼ 3--34--15 W. 4th M. (Area B").
Homestead - Cyril DeVere McGregor.
Patented - 19th June, 1922.

N.W.¼ 3--34--15 W. 4th M.
Pre-emption - Cyril DeVere McGregor.
Entry granted - 19th July, 1913.
Cancellation proceedings outstanding.

The entrant in this case made application for patent for his homestead on the 28th July, 1919, and executed a supplementary statement on the 15th May, 1922, in which he claimed residence, cultivation and other improvements as shown on form #58A. attached to the homestead file.

Cancellation proceedings were instituted against the pre-emption entry on the 28th November last, for failure on the part of the entrant to apply for patent within the required time. No defence has been filed.

According to the Patents Branch there was $643.38 due on account on the 1st August last.

The Agent now forwards here a report from Inspector Cloakey in which he states that the address of the entrant is unknown, not in residence; improvements, nil; cultivation, nil. Nature of soil, clay and rocky.

General Remarks:

"This quarter cannot be broken; all hills and stones and sloughs and only fit for grazing, worth about $3. per acre. I cannot find out what residence was performed in connection with this land, but the neighbors are of the opinion that he was not entitled to patent for his homestead. There was however sufficient breaking on the homestead to prove up both quarters, but the buildings on the homestead are now all gone. About 60 acres of the homestead have been cropped by C. A. Hill. Would recommend that this entry be cancelled and the land made available for grazing only."

In view of the evidence furnished by the Inspector in his report referred to above and as the entrant has failed to file a defence, I would suggest that the Agent be instructed to carry out cancellation and to post the land for grazing purposes only.

December 28th, 1908.

Sir,

On July 25th 1908 Peter Lawrence and Jake Schulz homesteaded the N.E. and S.E. quarters respectively of 16-38 1 West 4th. Neither of these men could read English being Germans, and when making entry had an interpreter. Thinking that everything was all right, they moved on the land. Lawrence moved on the South East and Schultz on the North East quarters of said land as above described. It now appears that they have the wrong entries, having reversed the same. Lawrence has built a house 14 X 32; has broken 25 acres on the South East quarter. Schultz has built a house 18 X 25 and broken five acres. Both these men have been living on their land since entering for same. The mistake was not discovered until Officer Wolff of this department called on them. They are now making a request to arrange, if possible, with the department, that these entries be changed giving Lawrence the South East and Schultz the North East of said quarters, and that the time they have put on be counted.

I beg to enclose herewith the original entries receipts, and shall be pleased to receive your decision at your earliest convenience.

Rds. Jake Schulz & Peter Lawrence.

The above entrants, who are Germans, made their entries at the Battleford Land Office through an Interpreter. Mr. Lawrence moved on the S.E.¼ of this section while Mr. Schulz moved on the N.E.¼. This mistake was not discovered until John Wolff the German officer of the Department called upon them some time after and they now ask that they be allowed to exchange their entries without the payment of an additional fee.

If it is shown to the satisfaction of the Department that these entries were made in error and that it is through the fault of the Interpreter that these men are living on different lands than described in their Receipts from the Land Office, they may be allowed to interchange their entries free of charge.

Sir,

On July 25th 1908 Peter Lawrence and Jake Schulz homesteaded the N.E. and S.E. quarters respectively of 16 - 38 - 1 West 4th.. Neither of these men could read English being Germans, and when making entry had an interpreter. Thinking that everything was all right, they moved on the land. Lawrence moved on the South East and Schulz on the North East quarters of said land as above described. It now appears that they have the wrong entries, having reversed the same. Lawrence has built a house 14 x 32; has broken 25 acres on the South East quarter. Schulz has built a house 18 x 32 and broken five acres. Both these men have been living on their land since entering for same. The mistake was not discovered until Officer Wolff of this department called on them. They are now making a request to arrange, if possible, with the department, that these entries be changed giving Lawrence the South East and Schulz the North East of said quarters, and that the fees they have put on be counted.

I beg to enclose herewith the original entries receipts, and shall be pleased to receive your decision at your earliest convenience.

Sir:-

I beg to acknowledge the receipt of your letter of the 7th instant, File No. 2408-D, respecting the proxy entries made by Alexander Leonhardt, Jacob Leonhardt, and Alexander Leonhardt, Jr. for the North West, South East, and North East Quarters, respectively, of Section 6, Township 29, Range 19, West of the Fourth Meridian; and in reply to say that in accordance with the regulations the Agent of Dominion Lands, at Calgary, cancelled these entries on the 25th ultimo, they having been obtained on the 21st of September last, of which fact each homesteader was duly advised by the Agent. As you are doubtless aware the Agent had no alternative but to carry out the provisions of the Act and cancel the entries when the homesteaders did not appear before him prior to the expiration of six months from date of entry and execute the necessary statutory declaration.
